

St. Augustine's Parents Association

5th October 2023

Dear Parents/Guardians,

Thank you so much for placing your orders online with cauliflower cards and returning the artwork forms back to school. We appreciate the timeframe was tight, so your support is appreciated.

The orders are now being checked and sorted ready for collection by our PA volunteers, therefore we can no longer accept any further online orders/forms.

If you have placed an order online and haven't yet handed in your artwork form please liaise with your class rep.

Many thanks

The PA
